### CUP DOUBLE AT COUNCIL SPORTS

**A**TLETES of the Army Apprentices School at Arborfield scored a cup double at the annual Aldershot Borough Council sports at the Military Stadium, Aldershot, on Thursday of last week.

They won the S. C. H. S. Gibbs Cup for boys under 17 and the Aldershot Challenge Shield for boys under 19.

All Hallows School added yet another trophy to their remarkable sporting achievements this year, winning the P. McCarthy Cup for schoolboys under 17.

But All Hallows had to be content with the runners-up spot in the F. H. Brown Shield for schoolboys under 15. Fernhill Secondary were winners.

In the girls' events, Aldershot County High won the Aldershot Challenge Cup for the under-fifteens, and Fernhill under-seventeens took the Aldershot Challenge Cup for their section. Results:

## Dragon rider wins 'Aldershot News' Cup

Farnham Road Club's annual Whit Sunday 25-mile time-trial resulted in a convincing win for competition record holder Paul Bennett (Barnet) in 57m. 7s.

Early morning conditions were bad on the Farnham-Alton road with a covering of cloud and a strong easterly breeze to hamper the riders on the return leg.

Farnham R.C. riders found the going hard and recorded times much below their personal best—G. Steer, 1hr. 5m. 18s.; J. Montgomerie, 1hr. 6m. 35s.; J. Voller, 1hr. 7m. 40s.

Second was J. Mummery (Barnet) in 57m. 50s. and third R. Runham (Norwood Paragon) in 58 minutes. Together with their third man, the first and second placings assured Barnet C.C. of the team prize with a time of 2hr. 56m. 6s.

### Stiff wind

Farnham R.C.'s Whit Sunday circuit racing programme was this year extended to four events held on a fast mile course at Eelmoor Plain, near Aldershot.

Despite a dry and sunny afternoon the racing was made difficult by a stiff headwind, in the back-straight.

The first event was a 10-mile schoolboys' race which resulted in a good win for "Rocky" Woods (Farnham R.C.). Prominent throughout and riding a sensible race he finished alone in a fast time of 23m. 34s.

Second was D. Farley (Marlborough) and third J. Mercer (Mercury). Nigel Smith, Farnham R.C., rode well to finish in the main bunch.

The 15-mile event for junior and third category riders was won by E. Adkins (Hemel Hempstead) in a time of 33m. 44s. Second was R. Taylor (Frome and District Wheelers) and third was R. Sweeting (Westerley).

### Alert bunch

The third event on the programme was a 20-mile race for third category riders. The pattern of the race was repeated attacks which were all counteracted by the alert bunch. As a result the race finished in a bunch sprint with a fine win for A. Gibbens (Surrey Road) in 45m. 5s. Second was S. Broughton (Camberley Wheelers) who had been one of the most aggressive riders of the race, and third was C. Matthews (Norwood Paragon).

Geoff Steer, Farnham R.C., fired after his morning "25" finished at the tail-end of the bunch.

Geoff Quinnell after riding strongly in the early miles was forced to retire through mechanical trouble and Jim Brown retired after being dropped by the bunch at the half-way stage.

### Thrilling race

The climax of the afternoon was the 25-mile event for first and second category riders competing for "The Aldershot News" trophy.

The field consisted of top-class amateurs including Dave Nie who represented Great Britain in the recent Eastern European Peace race.

The race got away to a fast start, the first lap being covered at 30 miles an hour. It soon became evident it was to be controlled by the excellent teamwork of Dave Nie's Dragon R.C. squad who quickly counteracted repeated attacks by other riders and also succeeded in winning many of the lap prime prizes.

With a lap to go A. Williams (Dragon R.C.) shot away to a 50-yard lead while team-mate Nie kept any would-be pursuers in check.

To the applause of the 600 spectators Williams held on to his now diminishing lead to finish in 57m. 30s. with Nie taking second place with a fine sprint from the main bunch.

Third place went to A. Couch (Twickenham C.C.), with last year's winner D. Funnell (Worthing Excelsior), finishing in the bunch.
